” Sir , last time for special classes I visited Aashiyana centre . So this was my first experience with Mohan nagar and nit centre children regarding these classes. The responses we got at Mohan nagar were amazing, the way they started sharing their views after a little bit of hesitation. We discussed the previous classes too and it felt

good that they have grasped whatever we have taught. There were some new students but they too showed great interest in learning about the things we taught.

Coming to nit centre, this was the first experience which told me the real importance of special classes. The kids responded the same manner as Mohan nagar. But the problems they have shared left me speechless. I was relieved to see the trust we have gained that they felt free to share something they are not able to tell anyone yet.
