ABOUT KALAHANDI HINTERLANDS OF INDIA

Kalahandi (locally pronounced *Kalahani*) is a district of [Odisha](#) in India. The region had a glorious past and great civilisation in ancient time. Archaeological evidence of stone age and Iron Age human settlement has been recovered from the region. Asurgarh offered an advanced, well civilised, cultured and urban human settlement about 2000 years ago in the region

Kalahandi is a rich land in culture and festivals. Since it is a melting point of southern [Odisha](#) and [Western Odisha](#) with a substantial tribal population, those living in hills as well as plain land, their culture, tradition, languages and belief along with mainstream Hindu culture have made Kalahandi region rich with culture and festivals. The mixture of Aryan and tribal culture makes Kalahandi region rich in its culture and festivals.

On the path to enlightenment....

When Sankalp's Pledge found its enlightenment in Kalahandi

- Sankalp-A Pledge to Change started its mission education programme in the most backward blocks of Orrisa i.e. Kalahandi
- Kalahandi was chosen as the centre location as the targeted blocks in this area have high drop outs and low literacy levels amongst the children
- Though most of the children are enrolled in different government schools, the educational & academic level is far from satisfactory which triggered thoughts to spread our wings in such areas for such children
- A total of 70 children are currently enrolled at the centre which is currently run from the tutor's place and providing free of cost tuition to enhance their learning skills

THERE ARE TWO KINDS OF PEOPLE
IN THIS WORLD:

GIVERS & TAKERS.

THE TAKERS MAY EAT BETTER,
BUT THE GIVERS SLEEP BETTER.

"Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek."
