# TEACHER'S DAY SANKALP CENTERS

“Those who educate children well are more to be honoured than they who produce them; for these only gave them life, those the art of living well.”

— Aristotle

# HIGHLIGHTS

Sankalp celebrated Teacher's Day across its various centres to mark the birth anniversary of our Ex-President and a great & eminent educationist of our country Dr. S. Radhakrishnan

- Students were acquainted with the life and ideals of Dr. Sarvapalli Radhakrishnan
- The day ended with the distribution of stationaries to students and cultural events organized by students themselves.
- It is important to teach the significance of Red Letter day to our next generation to instil a feeling of respect towards the great nation builders and patriots.

A scenic landscape photograph of a mountain lake. The water is clear and reflects the surrounding environment, including a dense forest of evergreen trees on the left and a rocky shoreline with some autumn-colored foliage on the right. In the background, snow-capped mountains rise under a blue sky with scattered white clouds. A large, weathered log lies horizontally across the foreground, partially submerged in the water. The overall scene is peaceful and majestic.
